Sir!
Over here!
Can you tell me which way is the South Sky Gate?

Thank you!

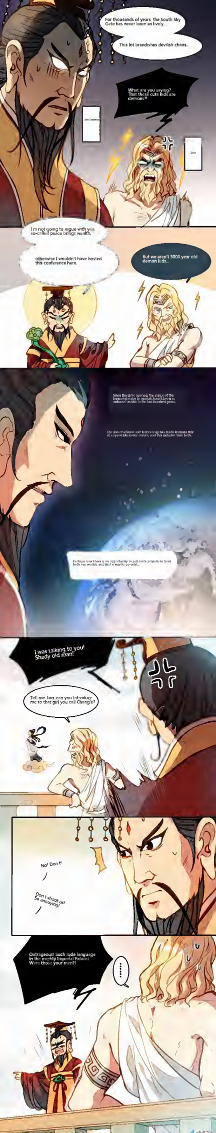
……
West-side kids

Outrageous…
The first East and West Conference of the Immortal Realm is about to start
Immortals from Olympus need to register at the South Sky Gate entrance for a security check!

Weapons of control must be left with me here, thank you for your co-operation.
Dammit! This is the trident of Sea King!

Woman?

Super fast piloted clouds are forbidden inside the Imperial Palace
Under 1800 year olds are not permitted!



For thousands of years the South Sky Gate has never been so lively
This lot brandishes devilish chaos..
What are you saying? That these cute kids are demons?!
ade Emperor
Zeus
I'm not going to argue with you so-called peace brings wealth,
otherwise I wouldn't have hosted this conference here.
But we aren't 3000 year old demon kids...
Since the skies opened, the status of the immortal realm to mortals hasn't been as unknown as this in the last hundred years.
The rise of science and technology has made humans relax at a speed like never before, and this includes their faith.
Perhaps now there is an opportunity to put aside prejudices from both our worlds, and find a way to co-exist...
I was talking to you! Shady old man!
Tell me bro can you introduce me to that girl you call Chang'e?
No! Don't!
Don't shoot us! So annoying!
Outrageous! Such rude language in the mighty Imperial Palace! Were those your men?!
......

This disgraceful boy...
makes trouble for me wherever he goes..
The so called Love God's Arrow!
This is the legendary Love God's Arrow that can make the Sun God fall into the River of Love!
With just one arrow even the Jade Emperor will fall in love with you!
Good morning east side immortal ladies!
Over there, who is that up in the Peach Tree?
I heard it's the Love God from the west side!
Later generations have never seen anyone dare to aim an arrow at the sun!

Are you Cupid the one from legend who is in charge of lovers' fates?
It looks like the Immortal ladies here are as smart as they are beautiful
So tall and handsome That arrow you have?
You can use that to determine the fates of lovers?
Absolutely If you ladies don t believe me
with just one arrow and you'll no longer be single!
Creep!
Don t shoot us!
嘿嘿嘿~
唰
That's enough!
This sudden loud uproar and fooling around by the Jasper Lake is such a scandal!
Who are you that dares to be so shameless in this place?!
